Dear Dr Sindhuri :

Thank you very much for your interest in the Postgraduate Diploma in Bioethics (PGDBE) program at PSG. The response to this year's call for admission was overwhelming, despite the short notice and our inability to extend the last date of application as requested by many. Based on a review of the applications received, we are happy to inform that you have been provisionally recommended for admission to the 2018-19 batch of PGDBE program. Congratulations.

The scholarship applications were also reviewed based on the information submitted along with your application and based on merit-cum-means criteria. With several applications from well qualified and meritorious candidates such as yours, the process of selection was difficult. We are pleased to inform you that your scholarship application is successful and you are being offered a partial tuition fee waiver of **INR 10,000**.

Please note that this provisional offer of admission is subject to fulfillment of the following conditions:

1. Confirmation of your **acceptance** of admission by sending a reply email, before **4 PM, 14 December 2018**.
2. Payment of the balance **tuition fees** of INR 35,000 [see below for details] no later than **2 PM, 15 December 2018**.
3. Verification of **documents and certificates** [details will be intimated later] and final acceptance by the University.

In case if you are unable to accept this admission offer, please inform us at the earliest, so that the place can be offered to a candidate from the waitlist.

Once again, hearty congratulations on your selection. We look forward to receiving your confirmation and having you with us in the 2018-19 batch of the PGDBE program.

With best wishes,  
PSG Bioethics Team
