Faculty and Student Training Status and Workshop Involvement

- Progress of ongoing training programs for faculty and students was reviewed.
- Discussed participation of faculty and students in **internal workshops**
- Recommendations were made to enhance attendance and ensure wider involvement.

Overview of Quarter – 1 Guidelines

The Convener briefed the members on the guidelines issued by the Ministry of Education under the Institution's Innovation Council (IIC) framework. The guidelines emphasize strengthening the R&D ecosystem, promoting cross-disciplinary and problem-based innovation activities, recognizing research excellence, and enhancing research visibility through structured documentation and dissemination. The council noted the importance of conducting the planned activities in alignment with national and industrial priorities and ensuring timely reporting and compliance through the IIC portal.

Establishment and Strengthening of R&D Cell

The R&D Cell will coordinate research, innovation, consultancy activities, encourage faculty research proposals, student innovation projects, and conduct workshops on research methodology and patent filing.

Implementation of Idea-Café

A dedicated space will be created for idea discussions and pitching sessions. Mentorship support will be provided for shortlisted ideas and interdisciplinary participation will be encouraged.
